Re: AT& T Landline Third Party Billing Settlement.  
Case No. cv-09-1529 SI

Hon. Judge Illston:

I am writing this letter on behalf of my clients JW Brown and Easley Exploration. I have reviewed the proposed settlement in the above matter and have told them I believe it is fair and reasonable. I review proposed settlements for clients routinely and have filed many objections for them over the last five years. It was heartening to see that the parties had reached such fair proposal. My clients ask the court to approve the proposed settlement.

Respectfully,

Gary W. Sibley
